

Authenticate Virtual Summits 2022

Sponsor Prospectus

Authenticate Virtual Summits are a series of virtual seminars that delve into specific topics related to the FIDO approach to modern user authentication. The Summits are free to attend and garnered 2,000+ attendees from the combined FIDO Alliance & Authenticate communities in 2021.

Depending on chosen level, sponsors of Authenticate Virtual Summits receive opt-in contacts, ability to host keynote talks, their own dedicated webpage on authenticatecon.com and other unique branding opportunities in the webinar platform. For 2022, the FIDO Alliance is pleased to offer full year sponsorship opportunities which provide these benefits for all Summits at a discounted rate.

The preliminary schedule for the Virtual Summit Series is as follows (dates subject to change):

March 30 & 31 (two airings, U.S. and Europe):

The FIDO Fit in Commerce: Examining the Present and Future of Authentication in Banking, Retail, Crypto & Blockchain

June 16:

Modernizing Healthcare with Strong Authentication

December 7:

Securely Onboarding All the Things: The Imperative for Securing IoT with FIDO
