

Authenticate Virtual Summit: Securing the Edge and Connected Devices with FIDO

December 14, 2023

Join this free Virtual Summit to learn how to take the leap into edge computing and IoT with FIDO Device Onboarding!

Edge nodes and connected devices are bringing transformative benefits to a whole range of industries. However, there are deep-rooted security risks that must be overcome to enable more organizations to take advantage of these benefits. These risks stem from costly and risky installation and onboarding practices.

FIDO Device Onboard (FDO) technology addresses these issues, allowing edge and IoT users to quickly and securely onboard devices, thereby reducing cost, time and risk. FDO is a freely available standard that champions a ‘zero trust’ approach and enables devices to quickly and securely onboard to cloud and edge management platforms. Complementary to FDO is the FIDO Certification program, enabling edge node and IoT device vendors to prove that their solutions adhere to the security and interoperability requirements of the FIDO specifications.

How to Apply for Sponsorship

To request sponsorship, contact authenticate@fidoalliance.org.

Sponsorship will be allocated based on the [FIDO Alliance Sponsorship Policy](#) on a priority basis based on: **1)** membership level; and then, **2)** by the date and time that we received your request.

Pricing for Individual Seminars	Signature	Supporting	Branding
Quantity	3	8	unlimited
Sponsorship Cost	\$6,000.00	\$3,000.00	\$1,000.00
Speaking Session - 10 min keynote speaking session	✓		
All opt-in contacts	✓	✓	
Listing and promotional content on event webpage (includes logo, 250 word paragraph, and 3 outbound links)	✓	✓	
Branding on event page & emails (size/placement tiered by level)	✓	✓	✓

Have an idea for a bespoke sponsorship? We’d love to hear from you. Contact authenticate@fidoalliance.org.

Have questions? Please contact authenticate@fidoalliance.org or reach out to Tasha Silva, Sr. Events Manager at FIDO Alliance (tasha@fidoalliance.org). Please also be sure to visit authenticatecon.com or follow us on Twitter ([@authenticatecon](https://twitter.com/authenticatecon)) for the latest Authenticate news and updates.

Join us for the Authenticate Virtual Summit: Securing the Edge and Connected Devices with FIDO on December 14, 2023 or via on-demand replay to get expert perspectives and education on how to leverage FIDO Device Onboard to foster trust in the edge and IoT space and bring mass deployments to the next level.

About the Authenticate Virtual Summit Series

Authenticate Virtual Summits are a series of virtual seminars that delve into specific topics related to the FIDO approach to modern user authentication. The Summits are free to attend and garnered 2,000+ attendees from the combined FIDO Alliance & Authenticate communities in 2022. Depending on chosen level, sponsors of Authenticate Virtual Summits receive opt-in contacts, ability to host keynote talks, their own dedicated webpage on authenticatecon.com and other unique branding opportunities in the webinar platform.
